FINDINGS OF FACT AND STATEMENT OF REASONS FOR DETENTION

- (1) There is probable cause to believe the defendant committed the drug offense of possession with intent to distribute marijuana. The maximum penalty is in excess of ten years. There is therefore a rebuttable presumption against the defendant's release based upon both dangerousness and flight risk, under Title 18 U.S.C. § 3142(e).
- (2) The defendant has no stable employment.
- (3) He has mental health issues and no ongoing treatment.
- (4) He is a Canadian citizen.
- (5) Defendant has no strong family ties and no apparent community support in Canada.
- (6) There is a BICE detainer filed against defendant.

Based upon the foregoing information, it appears that there is no condition or combination of conditions that would reasonably assure future Court appearances and/or the safety of other persons or the community.

It is therefore ORDERED:

- (l) The defendant shall be detained pending trial and committed to the custody of the Attorney General for confinement in a correction facility separate, to the extent practicable, from persons awaiting or serving sentences or being held in custody pending appeal;
- (2) The defendant shall be afforded reasonable opportunity for private consultation with counsel;
- (3) On order of a court of the United States or on request of an attorney for the Government, the person in charge of the corrections facility in which the defendant is confined shall deliver the defendant to a United States Marshal for the purpose of an appearance in connection with a court proceeding; and

DATED this 11th day of February, 2008.
